COUNTY BOARD ANNOUNCES NEW POLICY

In former years, when the roads in Haliburton County have become unsafe because of weather conditions, the officers of the Haliburton County Board of Education have declared their schools closed. The method of notification used has been to announce the closing of the schools over the radio stations. This type of blanket announcement for the entire county has several obvious faults; the principal one being that sometimes not all the roads are unsafe and therefore some schools have been closed that should have remained open. Often when some of the side roads are bad, the main highways are safe and students could be picked up allowing them to go to school. Also, children living in the villages of Cardiff, Haliburton and Minden can get to school. The members of the Board have decided there is no reason to close all of the schools and therefore have formulated the following policy:

"The Haliburton County Board of Education will no longer close schools in the County on days when road conditions are bad. Schools will remain open for those students who can safely get to school. Each bus driver or operator must determine whether it is safe for his bus to operate. If it is decided not to operate, the driver or operator notifies his students, if possible. The bus driver could have a team of students to help him inform others of the situation. There will be teachers in the schools and instruction will be carried out for those students attending on these days."

FORMER LOCAL BOY WINS SAILING REGATTA

IVAN COX

A former Minden boy, Ivan Cox, First Officer for United Air Lines is pictured here with his yacht Coronado 25 "Argonaut". Ivan won the Christmas Regatta race at the Anacapa Yacht Club, in California.

Ivan is the son of Mr. and Mrs. Loyne Cox of Minden.

These yachts raced in winds of 25 knots and zapped around the course at 10 knots an hour.

Welcome To Minden Winter Carnival

The word is go, and on Friday night at 6:00 p.m. the Information booth on Main Street will open and the 13th Annual Minden Winter Carnival will be under way.

To give you a brief run-down on what is happening, at 8:00 p.m. Friday, the Hiram Walker Curling Bonspiel starts, and at 8:30 the Carnival Queen competition gets underway. After the Queen is picked the Minden Figure Skaters will put on an

ice show, which will be followed by a Broomball game.

Rounding out the evening a Sock-Hop will be held in the Archie Stouffer Public School.

Saturday is packed full of entertainment, plus a few special places will be open for Carnival meals, which include everything home-style, and plenty of it.

Master of Ceremonies for the day will be Rev. Andrew Hutchison, who did a splendid job last year on the Main Street mall. Located here will be the O'Keefe Brewing Companies sound system along with a sound van from Rothmans of Pall Mall Canada Ltd.

Kinsmen will be holding their Carnival Sno-Enduro on Saturday at 2 p.m. at the Fairgrounds. In the arena there will be Minor hockey games, Broomball tournaments, Indian Snake Game, Log Sawing, Wood Splitting and Nail Driving contests.

The Massey Ferguson Red Nites will give a great performance on their snowmachines of precision riding at 1.30.

Also in the Fairgrounds on Saturday will be the Helicopter rides, starting at 1 p.m.

Official opening ceremonies us.

will be at 11.45 and this is followed by the parade at 12.30.

On Sunday at 10 a.m. Rev. Andrew Hutchison will conduct an Open Air Church Service from the Ice Altar at the Community Centre.

Also on Sunday the Red Nites will perform and the Minden Figure Skating Club will feature Sr. Amateur Ladies from the Toronto Cricket Skating and Curling Club.

If you are figuring on taking in the Minden Winter Carnival — which you should, pick up a program, Carnival Button and Crest at the Information booth for only \$1.00, this will put you in the Carnival mood and give you all the activities and times of events for the entire week end. Hope you have lots of fun!

BABY CLOTHES NEEDED

Haliburton women are invited to get together with neighbours at the Stanhope Schoolhouse (on the Stanhope Airport Road) Friday at 10 a.m. to knit and crochet baby clothes desperately needed in Vietnam.

Patterns suggested by Vietnamese mothers must be made up in dark colours, preferably navy blue or dark green for purposes of camouflage. A baby wrapped in a light coloured garment is a deadly attraction for napalm or high explosive bombs in Vietnam. Patterns may be obtained from Diane Brown, telephone 754-2297 or Lolly Pettibrew, telephone 754-2155. Donations of knitting wool and money to buy wool are both welcome.

THE MAIDENS' VIEWPOINT !

by

Norm Maidens

I've had a couple of 'phone calls asking me where the new Minden sign had gone. In my usual keen and alert manner I hadn't even noticed the sign mis-

sing — and it was in such a prominent place too.

I got in touch with the Municipal office and found that sometime just before Christmas Jack Frost had gotten down into the innards of the sign and blew it to rat excrement. So much for design engineering, they forgot the sub-zero weather apparently and, so, it's back to the drawing board and another chance for the "first sign of it's kind in Canada."

Reading a recent copy of the Transportation Hi-Lites from Rochester N.Y. I see my good friend Earl Monahan has retired. I found this very hard to believe as this man has too much energy to put it "in pasture". Reading further in the article I see he has only "semi-retired."

Earl has been the best promotor for the Highlands of Haliburton and his articles have appeared in various publications throughout Canada and the United States. He has always managed to work in a mention of the Haliburton Highlands no matter what the article was about.

To tell you all the accomplishments of this energetic man would take more space than the Editor allows me for the next three weeks.

Apparently Earl was going to retire on January 1st when the Boncaro family who own the publication Earl is PR man for, refused to accept his retirement — so, he is semi-retired. Still will be writing articles etc. but will not have to punch the ole time clock. Forty years in the trucking business his articles are internationally known and respected. Earl is Honary member of dozens of societies — "Tail of '98 Brotherhood" Yukon Territory. Hon. Chieftan of "Hiawatha Land," Ironwood city Michigan. Interviewed on many TV talk shows. Also an Hon. member of the Highlands Chamber of Commerce for many years.

But, this could go on and on for quite some time — why not write the "Motor Carriers Association, Rochester, 63, Apollo Drive, Rochester 14626 and ask for the December issue of the paper, December 1972. I'm sure they'd be more than pleased to send you the article, complete with full history and pictures.

Our best wishes go out to Earl — he has been a credit to his trade and certainly has been a good friend to the Haliburton of Highlands with his publicity — the type money can't buy. I know that we have a special spot for Earl in our hearts up here and I know everyone joins me in wishing him every continued success and health in his "semi-retirement."

Have had quite a few nice comments about last week's column — from older people, of course. A couple of the younger "hairless Joe" types tackled me and said I was typical of the older generation and that I was only widening "the Gap" when I asked them their definition of the "Gap" they didn't have a clue, except they were doing "their thing" — I wasn't "making the scene." Everyone misunderstood them. What's to understand, in an old "Cliche" they don't know what the score is themselves so how can they get anywhere unless they get something on their heads but hair?

So much for the "great unwashed generation" let them do "their thing" but don't you forget drive carefully and you'll be around to enjoy our Winter Carnival this week-end. See you next week.

JANUARY MEETING WOMEN'S INSTITUTE

The Women's Institute did it again where 25 members and a visitor met in the Minden United Church Hall on Wednesday afternoon, January 17th.

The President Mrs. P. Clarke was in charge of the meeting and as the ladies answered the Roll Call with a stamped Get-Well Card, Mrs. Duncan Prentice will be able to send many more cards to ill people, if you will just phone and let her know of anyone who would appreciate a card. She reported that 13 cards had been sent since the Christmas meeting but, with this horrible Flu Bug running around the County we are sure there are a lot of seriously ill persons in the area.

Mrs. B. J. Walker again gave us a very interesting and enlightening talk on Current Events of 1972 in Minden and area. It continues to amaze us how well informed Mrs. Walker is and every year she reminds us of events that have taken place which we either have forgotten about or just didn't pay any attention to, but nothing escapes her notice and her paper is always very interesting.

The members have started to make inquiries regarding their May Bus Trip so keep watching for further details regarding our trip.

It was decided to sell tickets on a box of Kitchen supplies and each member is asked to donate towards this at the February meeting or if you will not be there please leave with Mrs. Sears, Mrs. Clarke or Mrs. Lyman Cox. The tickets will be 25c or 5 for \$1.00 and the draw will be made at the March Institute meeting.

The February meeting will be held at Hyland Crest Home February 21st at 2 p.m. and again a cordial invitation is extended to any interested ladies in the County to attend. Added feature of this meeting will be piano selections by Lucille Clarke.

Some of you reading this may not be aware that this is the only branch Women's Institute in Haliburton County and is not just for Minden ladies but for all ladies who would care to join with us. We gladly welcome you all. Our meetings are usually held the third Wednesday afternoon of each month at 2 p.m. Come visit with us and enjoy our sociability.

The President closed the meeting with all singing the Queen and the Women's Institute Grace, after which a delicious lunch was served by the Hostesses, Mrs. M. J. O'Neill, Mrs. L. Cox and Mrs. Hugh Kernohan.

IT'S WINTER CARNIVAL TIME AGAIN — 1973

The welcome mat is out
From the good folks of our town
Visit us, join in the fun,
We will not let you down.
There's something for everyone,
Be he young or be he old,
To prove this kindly read
The Minden Progress Centrefold

On Saturday free soft drinks
Will be served to one and all,
Next door to Rolly's, by the
bridge,
At our booth on the Main Street
Mall.

You can also buy good lunches
At the United Church big hall.

The ladies of St. Paul's Church,
Will serve spaghetti suppers
A first class meal-easy to eat,
Dispense with your lowers and
uppers.

The giant parade will feature
More floats than e'er before,
Pretty girls and music
And celebrities galore.
Including our genial Reeve
Reg Booth, and many more.

The most famous piper in the
land,
With his son and others too,
Will thrill the crowds with the
wondrous skirl,
They will do the same to you.
Don't miss Earl Cooper and his
boys,
You'll be sorry if you do.

The Brampton Clown Band has
a style,
That compares with the best,
Without these most lovable
chaps
Our show would lack its zest.
They never age, they won't,
don't fear,
Why they steal the spotlight
every year.

The Red Nites will be with us,
Massey Fergusons boys in red,

"The greatest feats on snow
machines"

At least that has been said.
Have you bought your tickets
On our Draw? Try your luck.
You can buy them most any-
where.

And you get three for a buck.
Hockey games, figure skating
And a real live Carnival Queen,
Curling and ice fishing too,
The greatest show you've ever
seen.

And then there is dancing, Fri-
day night
That is if you're a teen.

Helicopter rides are also on the
list,

Indian Snake Game and Broom-
ball

And Saturday night another
dance,

This at the Kin Centre Hall.
Adults only are allowed,
No place for kids at all.

The Kinsmen Sno-enduro
Should prove to be some fun,
Provided you are tough and
strong

And relatively young.
Nail driving and log sawing
Will always draw a crowd
I might try the first named
If sledge hammers were allow-
ed.

There are so many things to do
And so many things to see,
At the Minden Winter Carnival
Of nineteen hundred seventy
three,

The one and most important
Of any one of them:
Go to Church on Sunday morn-
ing — thank the Lord and
say Amen.

The events described herein
take place,
Over a three day span,
To check the times and places
Please buy a complete program.

LETTERS TO THE EDITOR

January 18, 1973
Minden, Ont.

Dear Sir:

The following is a true copy
of a By-law which was passed
December 6, 1972 in the Town-
ship of Stanhope.

By-law 72-16

A By-law for prohibiting or
regulating and inspecting - the
use of any land or structures
within the Township of Stan-
hope or any defined area or
areas thereof for dumping or
disposing of garbage, refuse or
industrial or domestic waste of
any kind, or for storing used
motor vehicles for purpose of
wrecking or dismantling them
or salvaging parts thereof for
sale or other disposal.

Be it hereby enacted by the
Municipal Council of the Town-
ship of Stanhope:

Any person who keeps or
stores any rags, bones, junk,
bottles, used motor vehicles,
scrap iron or other metals, or
other refuse within the Municip-
ality of the Township of Stan-
hope is guilty of an offence and
on summary conviction is liable
to a fine of not less than \$10.00
and not more than \$50.00 and
the continuance of the offence
for each week after conviction
shall be considered a separate
offence.

The By-law Enforcement of
the Township of Stanhope may
upon inspection issue an order
requiring the owners, lessees or
occupants of such land or struc-
tures, at the expense of the
owners, lessees or occupants,
to cease using such land or
structures for such purposes,
or to cover any garbage, re-
fuse, or domestic or industrial
waste in any prescribed manner,
whether or not such land or
structures were so used before
the passing of this by-law.

To the best of my knowledge
I am the only one in the Town-
ship that this by-law is being
enforced on. The reason being
the continuous complaining of
one neighbour, Since I moved
here May 1971.

I ask you, is this fair?

Yours truly,
Mrs. Marion E. Stoughton

GAME OF THE WEEK — with Cliff Burke

BANTAMS PLAY BEST GAME OF SEASON BUT LOSE TO COBOCONK

The Minden Bantams traveled to Coboconk on Tuesday evening for their first meeting of the season. Coby squeaked past the Minden boys 4 - 3 in perhaps the best game of the year for the Minden team.

Coby opened the scoring early in the first period but Scott Gartshore tied the game at 11:15. Coby went ahead again at 15:39, to end the period 2 - 1.

At 3:05 of the second period Minden picked up a penalty to Bill Hogg for tripping. While Bill was off Minden charged into the Coby zone and Shayne McKelvey put a perfect pass on Scott's stick six feet in front of the net and Scott made no mistake in tucking the puck in the long side to knot the score 2 - 2. Coby scored once again just before the period ended to go up 3 - 2.

At 5:09 of the third period Coby scored a power-play goal to go up by two, 4 - 2. Shayne McKelvey put Minden right back in the game at 9:25 with a blistering wrist shot from an almost impossible angle to fool the Coby net-minder. Coach Don Campbell pulled goalie Brent Wynne for a sixth attacker with just over a minute remaining but Minden failed to score, ending the hard fought contest 4 - 3 for Coby.

Stars in the game had to go to Scott Gartshore with two goals (and two called back on the offside), Brent Wynne who made numerous difficult saves to keep Minden in the game and Shayne McKelvey with a goal and two assists. Two other standouts for Minden were Peter McKenzie and Barry Shaw.

SPORTS CORNER

with CLIFF BURKE

Minor Hockey: The Minden Peewees took part in the Annual Oakwood Invitational Peewee Hockey Tournament over the weekend and came away with a win and a tie.

In the first game Minden trounced Omeemee 9 - 1. David Brown led the Minden attack with a hat trick followed by Brian Shaw with two goals. Singles went to Corey Coneybeare, Grant Porter, Paul McKenzie and Tom Gough.

In the second game on the championship side, Minden lost 5 - 2 to the host of the tournament Oakwood. Garry Harrison and Tom Gough scored for Minden.

In league action on Sunday in Haliburton, Minden trounced Bobcaygeon for the third time this season, by a 6 - 2 margin. Brian Shaw enjoyed his best game of the season netting four goals for the winners. David Brown rounded out the scoring with a pair.

In Bantam action Sunday, Fenelon Falls came up with a 5 - 0 shut out over Minden. The victory was the first of the season for Fenelon.

In Midget action also on Sunday evening in Haliburton the high flying Kinmount midgets, fresh off a 6 - 4 triumph over Haliburton earlier in the week, rolled over Minden 9 - 4. John Welch scored twice for Minden while Al Trepanier and Doug Ray each had singles.

Minden midgets picked up four free points over the weekend when Fenelon Falls defaulted a four-point game on Sunday.

In House league Novice B action this past week, Minden picked up a win and two losses. On Saturday in Haliburton, Minden played to a 2 - 2 tie with Haliburton. Greg Carpenter and Shawn Gilligan scored for Minden.

Kinmount downed Minden 5 - 3 on Sunday January 7th, with Greg Carpenter picking up a pair for Minden while Dennis Stribbling counted his first of the year.

On Sunday, January 13th, Minden went down to a 5 - 1 defeat at the hands of Wilberforce. Greg Carpenter notched Minden's only goal.

Bowling: Modern Electric moved into a tie with the Rockcliffe Beer Nuts last Wednesday evening in Major Men's Commercial Bowling league action, when they blanked Cox's Colts 7 - 0. Rockcliffe dropped Ingoldsby 5 - 2 and Haliburton Highballers trimmed Miles Roadrunners 5 - 2 to move into second place, one point behind the leaders.

Standings after seventeen weeks play has Modern Electric and Rockcliffe Beer Nuts each with 78 points, Haliburton Highballers with 77 Cox's Colts with 54, Ingoldsby with 49, and Miles Roadrunners with 39. High average is held by Ron Robinson Jr. with 245. High single goes to Brad McKnight with 371, while Ron holds high triple with 971.

Shuffleboard: The winners of the Dominion Hotel tournament were Doug Robinson and Wilf Ackerblade. Winners at the Rockcliffe tournament were Doug Robinson and Neil Burk.

YOUR RED CROSS

SERVES YOU AND

SERVES FOR YOU

ABOUT THE TOWN

with Jeanne Sears

Saturday was the day when Richard Nixon was sworn in as America's 37th President, and for his second term of office. Also the settlement of the War in the East may soon be settled and we may have Peace once more.

There was a Tupperware Party at the United Church Hall Thursday night with a good crowd there and enjoying a social time as well.

Sincere sympathy to the families and friends of the late Alfred Allcorn and Albert Curry who died since last week.

The Art Youngs and I enjoyed one of our hobbies last Wednesday night when we went to Legion Bingo at Haliburton; miss our own bingos very much — but they will be starting on Thursday, February 1st at Hyland Crest Home. Glad to have you back Rotarians.

Noted that the Guild of Fine Arts are having a Display and Sale of Arts and Crafts on Saturday and Sunday at the Municipal Hall. Get your crafts out and let everyone see what you can do.

There is a draw to be made on Saturday night after the Hockey game for a Snowmobile Trailer and Snowsuit. This helps with the expenses of our Carnival. Have you got your ticket yet?

We also hear that the Ladies Orange Lodge Card Party is to be next Monday night at their Hall. A good time to enjoy an evening of cards and a social time.

At the Mini Card Party last Thursday afternoon at the Parish Hall, winners were for euchre Eleanor Walker and Phil Robinson; for cribbage Doris Craig and Cora Hewitt.

Many of our men folk take part in the Log Sawing Contest but this year entrants will have to supply their own saw.

This year once again Dave Stamp has donated a bus for Senior Citizens to see the Parade and take them up to the Recreation Centre, this is for all elder citizens and also they will be supplied with free passes to the afternoon show on Saturday as well. Everyone appreciates this, and are grateful to Dave.

A demonstration of Snowmobile skill will be given during the weekend by the Massey-Ferguson Knights. Perhaps their daring stunts should not be tried by inexperienced drivers.

There will be two dances The Sock Hop at Archie Stouffer School Gymn, Friday night with the Dover Group and Saturday night at the Kin Centre with Blair Bailey and his Group.

The weekend ends with public skating at the Recreation Centre with music by O'Keefe Brewers Van and Rothman of Pall Mall of Canada Van. Here's your chance to try out the new artificial ice.

Variety of weather, had our thaw hopefully we will have a bit of fresh snow before the weekend, for the snowmobilers.

Cheerio until next week.

OUR THANKS

We would like to take this opportunity to sincerely thank all our past customers and friends for having given us the pleasure of serving you during the time we operated Vanzeyl's Restaurant.

To our employees who have been members of our staff, a very special thanks.

We extend our best wishes to Mrs. Betty Bowskill and her sons, and hope they will find pleasure and happiness in serving you.

THANK YOU,

JERRY, WILLY VANZEYL

CURRENT EVENTS

FOR 1972

Submitted by Mrs. B. J. Walker

The Hydro has a new Helicopter to help with poles on new lines; so many new lines going in, soon the country will be lit up like a Christmas Tree as well as the homes. The Minden Skaters are doing fine for themselves, the club and Minden.

The Winter Carnival was a real success even if the weather was not as nice as it could have been; there was a real crowd. The Carnival Queen was lovely, also smart. Two bad fires, one at Brady's Lake, one at Minden Lake but no one injured.

Mites won first game of Kawartha finals; am very interested as one of my tenant's sons is in the mites and very good. The Mites won the Championship, was I ever pleased. Two Minden figure skaters, Kelly Beeney and Kelly Greir are going to North Bay to represent Minden, good luck to them. The Council has decided to improve the River, a lot of boats come from Gull Lake and it makes things a lot better also add to the beauty of Minden. The Gull River is threatening some homes in the village over the road in a few places, might add stayed high all summer and early winter, but is better now. Hydro employees on strike, hope it doesn't last too long.

The Rotary Carnival was a real success, weather was good, the parade was fine, everyone seemed to enjoy themselves. Historic Haida Canoe came to Minden. Tenders have been given for new Community Centre for Minden. We had a fine Fair, the weather was if possible too warm but everything went off fine. So much lovely sewing and the fruits and vegetables, fine, so many people and so much to see.

It seems Minden has a new sign, have not seen it yet. The Drug Store has changed hands as they now handle all prescriptions, this will be a lot more work and business. There was a Fashion Show of Wedding gowns at Hyland Crest Senior Citizens' Home, some very old gowns also beautiful, was a real success.

Minden Park gets a grant and the new arena is being built.

There is a picture of a nice deer, the Walker boys shot the first day of the hunt. We have had a very wet cold fall. Hope we do better next year. If there is good ice for the fishermen some good catches will be made. Had a cold wet summer, very high water in lakes and rivers. Hope it is better next year.
